# The Speaking Saturday Night. The meeting of the Hatton Club, of this city,

Saturday night, drew together a large number of our citizens. The opening speech was made by JOHN HUGH SMITH, Esq., and though brief, was effective. He always exhibits sound judgment in the solution of his topics, and fortifies his positions so as to render them impregnable.

Mr. BELL followed and made an able and powerful speech upon questions at is-ue in the canvass, He was listened to, as he always is, with profound interest. When he closed, the audience quietly dispersed in the finest spirits.

RIO MILLS FLOUR .- We are using flour ground at the superb flouring mills of Messrs. Huggins & RANSOM, Murfreesboro. It is made of red wheat, new crop, and is a very choice article. It will, in every respect, compare favorably with the best brands sold in this market. It has been but a few years since St. Louis flour rated superior to anything produced in Tennessee, but our home mills have driven it to other quarters for sale. Our Murfreesboro' friends intend to go or improving until the best St. Louis brands, when compared with theirs, shall class as a third or fourth rate. We trust they may realize their highest anticipa-
